

In English, we will learn about:

As writers we will be:

Writing an information Booklet about 'Going for a Woodland Walk'.

Traditional Rhymes - A simple rhyme based on a traditional rhyme.

Stories on a theme - A written narrative, based on a film or picture book, with a seaside setting.

In Science, we will learn about:

What is it like in spring?

Looking at our seasons, the change in weather and how our day length changes. Living things in their habitats, comparing animals and their homes, creating food chains and understanding that plants are living things.

In PE, we will learn about:

Dance activities: Seaside. To remember, repeat and perform a short dance to represent life in a seaside village.

Overarm and under arm throwing - to demonstrate an overarm and underarm throw with accuracy.

In History, we will learn about:

We will be exploring the history of the seaside. From Victorian seaside holidays to Blackpool as a holiday destination.

What people wore at the beach in the past, entertainment from the past and comparing it with the seaside now.

In Music we will learn about:

Musical Vocabulary; Under the Sea

Vocal and Body Sounds: By the Sea.

The Great Outdoors

Summer - Rowan Class

In Geography we will learn about:

Simple fieldwork and observation to study the geography of the school and local area.

Creating a 3D map of Darwen across all our classes and fitting it together to show Darwen as it is.

In PSHE, we will be learning about:

Changing me - understanding that everyone is unique and special. Understanding and respecting changes that we see in ourselves and others.

Dreams and Goals - working hard and having a positive attitude towards ours and others dreams and goals.

In DT we will learn about:

Key parts of a wheeled vehicle, to develop an understanding of how wheels, axles and axle holders work. Design and make a moving vehicle.

In R.E. we will learn about:

Ascension and Pentecost:

Learning about Jesus ascending into heaven, looking at God as three in one - Father, Son and Holy Spirit and understanding how the events of Pentecost impact on church today.

The Church:

Understanding that the church is a special place where Christians meet to work and pray. Knowing that the church is a body of people and not just a building.

In Maths, we will learn about:

Place Value of numbers, including ten more and ten less. Position and Direction, including time. Addition including use of doubles and number bonds to help mental calculations. Measuring including reading scales. Quarters and halves of both shapes and quantities. Naming and classifying both 2D and 3D shapes. Continued use of repeated addition and times tables facts of 2, 5 and 10.

In Art we will learn about:

Seaside art - Landscapes using different media, including IT.

In Computing, we will learn about:

Children will recognise common uses of information technology beyond school. Children will be able to use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

PE Kits: (White T-shirt, black shorts & black pumps) come dressed in your PE kits on both a Monday and a Friday. All jewellery, e.g. earrings **must** be removed.

Homework: Each week your child; will be expected to read 3 books and learn spellings. There will be a weekly maths and English task and your child will be able to choose something creative to complete from given ideas on our termly homework grid.

Reading: Reading books are changed once a week on a Monday - Please listen to your child read and sign their reading record.
