

Le Bulletin Français de l'école de St. Pierre

Junin 2021

Salut! Bienvenue, to St. Peter's first ever newsletter about all things French!

At St. Peter's, we believe that learning a second language will offer children the opportunity to explore relationships between language and identity and will help them to develop a deeper understanding of other cultures and the world around them.

Our weekly French lessons provide our KS2 children the opportunity to become emerging linguists through interactive, fun and practical activities.

In this term's newsletter, you will find out about what children have been learning about in school!

Did you know that France is the largest country and that French is the most spoken language in Europe today?

Each term we cover different topics. This term, Year 3 are looking at the topic 'Les fruits et les légumes'

Year 4: 'Ma famille'

Year 5 and 6: 'Ma maison'

Our French Day

We held a French Day school, which all of the children thoroughly enjoyed. We learnt all about France, we tasted different foods, learnt songs/nursery rhymes and created pictures of famous landmarks in France.

Here children are learning to play Frère Jacques on Glockenspiels.

Children enjoying the different French foods!
