

During Science Week, we loved our pizza project. We researched the most popular topping, designed and decorated our pizza box and made our own pizzas!

We thoroughly enjoyed dressing up as a word for World Book Day. Can you guess which words we were dressed as?

In computing, we learnt how to gather our own information and used this to create our own pictograms using the J2 Software.

The Bigger Picture
Rowan - Spring Term
All Creatures Great and Small

In history, we learnt all about Mary Anning. We learnt about her life and looked at why she was famous.
