

In Science, we have been learning all about Electricity. We have been creating our own electric circuits, learning about electric symbols and discussed the dangers associated with electricity.

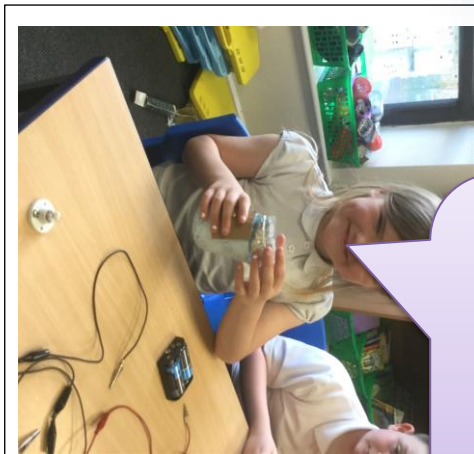

The Bigger Picture

Larch

Spring 2022

In our Art lessons we have been exploring ancient Egyptian tombs and the paintings discovered there. We have created our own tomb paintings and written our own names in hieroglyphics.

In DT, we have been creating our own torches linked to our science topic.

On our Egyptian theme dress up day we created our own pyramids using a variety of materials.
