

For our English topic - we visited Smithills Farm. We then went on to write a recount and a persuasive leaflet in our lessons. We all had a great day!

Christmaths - we had a great time using all our maths skills. We estimated time, read temperature and did lots of mental maths activities.

In Art we have been drawing and painting self-portraits. We have been looking at shade and tone. Have a look at some of our masterpieces.

## The Bigger Picture Beech - Autumn Term

In Science, we have adopted a tree on the school grounds. We are going to keep a close eye on what happens to the tree throughout the year. We also visited Sunnyhurst Woods to look for signs of Autumn.
