

In maths we have been looking at ordering numbers and counting objects.

In the writing area we practiced forming our letters correctly.

During the topic - 'People who help us' we went shopping to Sainsbury's. We then followed the instructions independently to make our own jam sandwich.

The Bigger Picture  
Maple - Autumn Term  
Let's Celebrate & People who Help Us

At the investigation station we made observation about the changing season of Autumn. We used our senses whilst of forest school to observe the changes happening.

We used the scissors to develop our cutting skills.

We manipulated the clay to create our own Diva Lamps during our Diwali celebrations.
